

## Researching a Nation in South Asia

Directions: Record notes from your research of one nation in South Asia.

Country \_\_\_\_\_

<b>Overview (Fast Facts- capital, total population, etc)</b>	<b>Cultural aspects (religion, costumes, traditions, languages, etc.)</b>	<b>Economic System (include socioeconomic factors)</b>
<b>Historical Background</b>	<b>Political System/Conflicts</b>	<b>Geographic Features/ Influence on economy</b>

### Creating a Population Pyramid:

Create a population pyramid that shows the current population distribution of a nation of South Asia and one for the future (i.e. 2040). Use the website Census.gov <http://www.census.gov/population/international/data/idb/informationGateway.php> to gather data. Print out the two population pyramids for use in the Country Profile assessment.
